Itinerary

: Cu Chi Tunnel Half Day

Morning

Around **08:00**: We will get on a 2-hour transfer from Ho Chi Minh City to the Cu Chi Tunnels. Along the way, you can take in the beautiful serene nature around you.

The [Cu Chi Tunnels](#) used to be a network of underground passages that served as a home, a storehouse for weapons, and a base for revolutionary attacks on American and South Vietnamese troops. Before the tour begins, we'll watch a brief documentary about how these tunnels were used during the war, which will give you an idea of how severe the conflict was.

We will have some downtime after the visit to relax and sample some of the boiled tapioca and hot tea that was provided to the local soldiers throughout the conflict.

Try shooting at the nearby shooting range to see if you can use an AK-47, M16, or any other machine gun (at your own expense as the activity is not included in the tour price).

At **13:00**, the tour comes to a close with a transfer return to Ho Chi Minh City.
