: Islands and Snorkeling Tour Full Day

Morning

BestRate's tour guide will pick you up from your hotel in Nha Trang city center and transfer you to the pier. You will depart from the pier and set off on your adventure to Nha Trang Islands.

- 1st stop: The **Institute of Oceanography** was formerly the Indochina Department of Oceanographic Fishery in 1922. When you visit, you will be lost in a magical sea world of nearly 20 hectares and surrounded by beautiful, colorful sea creatures.
- 2nd stop: We will head to **Mun Island**, one of the most gorgeous islands in Nha Trang for some snorkeling. You will be charmed by the vibrant underwater world filled with coral reefs and tropical fish as you snorkel into the crystal-clear waters. Swim alongside schools of colorful fish and admire the beauty of this underwater paradise.
- 3rd stop: You will have some time to unwind and take some leisure time on **Mot Island, Tranh Beach Island**, or a small island called "**Mini Beach**". You'll have a great time whether you swim, sunbathe, or try out some water activities like jet skiing or parasailing.

Then, you will be served a delicious seafood lunch on the island or at **Con Se Tre Village**, a peaceful and poetic island. You will spend some time with your loved ones and taste the flavors of local cuisine with fresh seafood while being surrounded by beautiful natural landscapes.

Afternoon

After the meal, you will stop by a fishing village to see how they raise fish and seafood with floating cages and find out about the local's lives here.

We will return to the shore, transfer back to your hotel in Nha Trang city center and call it a day. Hope that the trip has brought you a whale of a time!
